508 Dixon St.,  
Homestead, Pa.

Dear Posey:

This makes the fifteenth time I have asked you to address my mail to 101 Montgomery Street, not Avenue. Your mail is always a week late reaching me, as it goes to Irvington, N. J. before it comes to Newark.

About our games in Newark with The Grays, your suggestion is all right for the 16th at Newark, but I did think if we made a good showing with The Grays on this trip we could play two series here with you in the next half and make some nice money. In that case you should come here either the 9th or 16th and again Sept. 3rd. Each time we should play a three game series, one game the Thursday Night preceding the Sunday and the doubleheader Sunday. Let me know what you think of the two series, and which two weeks you think would be the best, then we can plan for other dates.

Yours truly,
